## Objective:

Pursue an exciting career that challenges my skills and enables my growth as a professional. I would like to obtain a position in the web advertising industry which utilizes my passion for quality and creativity, and enables me to create new and effective ideas.

## Summary:

Sales & Promotions major with diverse work experience ranging from creative design to manual labor. My work experience and education enable me to bring a healthy array of skills and ideas into the workplace to benefit the industry.

## Education:

**(8/07 - Present)** *Ball State University*: 3.75/4.0 GPA. **Expected Graduation**: May 2011

**Major**: Sales & Promotion

**Minor**: Marketing

**Dean's List**: Fall 07, Spring & Fall 08, Spring 09

## Experience:

**(04 - Present)** *Freelance Web Site Developer*: Use Adobe Dreamweaver and Photoshop and Flash to create several personal/professional websites.

**(5/07 - 8/09)** *Sylvan Springs Grounds Keeper*: Used and maintained lawn equipment to manage the grounds at Sylvan Springs in Rome City. Performed extraneous duties such as plumbing, painting and assisting tourists. Managed own hours while completing tasks on time and with respectable quality. Developed self-management abilities.

**(1/08 - Present)** *Ball State University Helpdesk/ Troubleshooting Consultant*: Solve technical problems for students and professors at the university both through the telephone and face-to-face consultation. Developed troubleshooting expertise and enhanced speaking skills.

**(12/09 – 1/10)** *Lund International Contract IT Support*:

Independently condensed and repaired expired computer workstations. Performed software/hardware maintenance on existing office and factory workstations. Learned to work with superiors while holding a professional status, even as a student.

## Additional Qualifications:

CompTIA A+ Certified PC repair technician.
